SAHARA MOTORS GROUP

The 2025 Toyota Crown Signia Limited Hybrid combines advanced hybrid technology with dynamic performance in a luxury package. Under the hood, the 2.5-liter Dynamic Force 4-cylinder engine is complemented by a Toyota Hybrid System (THS) and D-4S dual-injection for smooth, efficient power. This hybrid powertrain produces 240 horsepower, providing a balance between performance and fuel economy. The vehicle features a seamless electronically controlled continuously variable transmission (e CVT), which ensures a smooth driving experience, while the electronic on-demand AWD system adapts to varying road conditions for added control. Drivers can switch between three modes—Eco, Normal, and Sport—using the 3-mode switch, offering a customizable driving experience. The fuel consumption rates of 6.0 L/100km in the city and 6.3 L/100km on the highway highlight the vehicle's excellent efficiency.

In terms of safety and convenience, the 2025 Toyota Crown is packed with cutting-edge features. Toyota's Safety Sense suite includes advanced systems such as the Pre-Collision System (PCS), Lane Tracing Assist (LTA), and Dynamic Radar Cruise Control (DRCC). Additional features like the Blind Spot Monitor with Safe Exit Alert and the Backup Guide Monitor provide extra layers of security. Inside, the vehicle offers a luxurious cabin with leather-trimmed seating, heated and ventilated front seats, and an 8-way power-adjustable driver's seat with lumbar support. The rear seats are also heated, ensuring comfort for all passengers. A 12.3-inch digital display integrates with the Toyota Multimedia system, which is compatible with wireless Apple CarPlay and Android Auto, while an 11-speaker JBL audio system delivers exceptional sound.

The 2025 Toyota Crown Signia Limited Hybrid doesn't just offer luxury and technology; it also provides a stylish exterior equipped with LED front and rear lights, a panoramic fixed-glass roof with a power sunshade, and 21-inch alloy wheels that complement its refined look. The vehicle is also equipped with rain-sensing wipers, headlamp washers, and power-folding side mirrors for added convenience. Practicality is evident with features like a power back door with a kick sensor and a trunk tonneau cover. For enhanced safety, the vehicle includes a comprehensive anti-theft alarm system and the Star Safety System, which integrates several key technologies for braking and traction control. The combination of performance, safety, and luxury makes the 2025 Toyota Crown Signia Limited Hybrid a standout in its class.
