SAHARA MOTORS GROUP

The 2025 Toyota Hilux Double Cab Pickup VX EXCL stands as a symbol of strength, reliability, and versatility. Engineered for both rugged off-road adventures and smooth city drives, it is powered by a commanding 4.0L V6 engine delivering 235 HP and 38.3kgm of torque. Coupled with a 6-speed automatic transmission and part-time 4WD system featuring a rear differential lock, it is built to conquer any terrain with confidence. Whether used for demanding business operations, weekend getaways, or daily commutes, the Hilux combines power and practicality while offering refined comforts and advanced features suited to modern driving needs.

The exterior of the 2025 Hilux VX EXCL blends bold styling with purposeful design. Its commanding presence is enhanced by LED headlamps with auto-levelling, chrome-plated door handles, and a striking chrome and metallic black front grille. Practical touches include front and rear mudguards, a front skid plate, and 17inch all-terrain tyres on alloy wheels. Functional upgrades such as LED bumper show panels, a bedliner, and a deck guard frame add durability for heavy-duty use. With a 310mm ground clearance and tough, aerodynamic body lines, the Hilux not only looks ready for adventure but is built to perform in any environment.

Step inside the Hilux and experience a well-appointed cabin featuring superior fabric seats, a multi-info TFT display, and an 8-inch navigation system with Bluetooth and USB. The cabin seats five comfortably, offering smart keyless entry, push start, auto air-conditioning with rear vents, and a cool glove box for added convenience. Safety is uncompromised with features like ABS, EBD, Brake Assist, VSC, Hill Assist Control, Trailer Sway Control, and dual airbags with a driver's knee airbag. The addition of a digital rear-view mirror, rearview camera, and tyre pressure monitoring system ensures both driver and passengers travel with peace of mind, no matter the journey.
