SAHARA MOTORS GROUP

The 2025 Toyota Land Cruiser 79 Double Cab Pickup S-DLX is a bold fusion of legendary durability and modern refinement, purpose-built for the toughest terrains and heaviest tasks. Powered by a robust 2.8L turbo-diesel engine delivering 201 HP and 500 Nm of torque, this 4WD beast guarantees unrelenting performance across mountains, deserts, and work sites alike. The exterior is rugged yet refined, featuring 16-inch alloy wheels, over fenders, and a front-mounted electrical winch for off-road readiness. LED headlamps, DRLs, and fog lamps offer excellent visibility in all conditions, while heritage emblems and stylish side stripes give it a distinctive character. With a 180-liter fuel tank and 11.7 km/L efficiency, this pickup ensures you go further with fewer stops, making it ideal for serious adventurers and professionals.

Step inside the Land Cruiser 79 S-DLX and experience a cabin that balances practicality with comfort. Leather seating, a leather-wrapped steering wheel with wood grain accents, and a wood-effect dashboard elevate the interior aesthetics, making every drive a pleasure, even in harsh environments. The 9-inch touchscreen with wireless Apple CarPlay and DAB radio ensures connectivity on the go, while the 4.2-inch MID keeps critical driving information front and centre. Practical features like a cool box, manual A/C, carpet floor mats, and multiple USB ports (USB-A and USB-C) make it suitable for both work and leisure. With a seating capacity for five and ample space thanks to its extended wheelbase, this double cab design ensures that both driver and passengers travel in comfort and control.

The 2025 Land Cruiser 79 doesn't compromise when it comes to safety and convenience. It's equipped with Toyota Safety Sense, including Pre-Collision System, Lane Departure Alert, and Automatic High Beam, ensuring confidence and protection wherever you drive. Additional safety features like ABS, EBD, Vehicle Stability Control, and Hill-Start Assist provide enhanced driving support in all conditions. With driver and passenger airbags, tyre pressure monitoring, and an engine immobilizer, security and stability are guaranteed. For convenience, the Land Cruiser 79 boasts features such as cruise control, power windows, a rear camera, and built-in tyre inflator – perfect for remote adventures. With its 1150 kg payload capacity, reinforced suspension, and thoughtful driver aids, this vehicle is a rugged, reliable investment for serious off-roaders and professionals alike.
