SAHARA MOTORS GROUP

The 2025 Toyota Hilux Double Cab Pickup GL 2.4L Diesel is built for those who demand reliability, practicality, and durability in a workhorse. With its robust 2.4L turbocharged D-4D diesel engine delivering 147 HP and 343 Nm of torque, paired with a smooth 5-speed manual transmission, this Hilux is engineered for strong performance and impressive fuel efficiency at 15.9 km/L. Designed with a rugged yet refined exterior, it features 16-inch steel wheels, rear fog lamps, a durable front steel bumper, and a factory-fitted bed liner for everyday utility. The remote central locking and power-adjustable side mirrors add convenience, while its spacious double cab design offers functionality for both professional and personal use. Whether for work or weekend hauling, this pickup gets the job done.

Inside the 2025 Hilux GL Double Cab, comfort and utility are seamlessly combined. With fabric seats and a front bench that comfortably accommodates up to five passengers, it delivers a no-nonsense, practical interior ideal for daily operations or road trips. Manual air conditioning ensures cabin comfort, while features like power windows, an overhead console, and front cup holders enhance daily convenience. The sliding rear window adds ventilation options, and carpet floor mats offer a clean finish. A standout feature is the 8-inch Connected Display Audio touchscreen equipped with Apple CarPlay, DAB radio, and a USB-A port, making it easy to stay connected and entertained on the go. With intuitive steering wheel controls and functional cabin design, the Hilux proves you don't have to compromise on modern amenities in a utility-focused pickup.

Toyota prioritizes safety in the 2025 Hilux GL, equipping it with essential features that inspire confidence on every journey. Dual front airbags, ABS, and Electronic Brake-force Distribution (EBD) provide foundational safety, while Vehicle Stability Control (VSC) and Hill-Start Assist Control (HAC) ensure optimal control, even on challenging inclines. The tyre pressure warning system (TPWS) keeps drivers informed and alert, while the reliable rear leaf spring suspension supports heavy-duty performance. The chrome emblems and safety regulation kit reflect thoughtful design and compliance with modern standards. Functional and secure, the Hilux also includes front disc brakes and rear drum brakes, floor mats, and a fuel-type sticker for clear diesel Euro 5 identification. Whether you're navigating job sites or daily routes, the Hilux delivers safety, strength, and smart utility in one reliable package.
