# SAHARA MOTORS GROUP

The 2026 Toyota Land Cruiser 300 GXR V6 3.5L Petrol is a bold statement of power, prestige, and precision engineering. Its striking exterior combines rugged capability with refined design, featuring LED headlamps with automatic high beam, a bold black-and-chrome front grille, and aerodynamic body-coloured bumpers with integrated aero kits. Standing tall on 20-inch alloy wheels and equipped with LED daytime running lights, rear roof spoiler, and side step illumination, it captures attention from every angle. The panoramic sunroof with jam protection adds an upscale touch, while functional elements like roof rails, pintle hook, and headlamp washers enhance its readiness for both urban and off-road adventures. Built with a 235 mm ground clearance and full-time 4WD, the Land Cruiser doesn't just look tough, it's engineered to handle anything. If you're seeking a commanding SUV that seamlessly blends toughness with sophistication, the Land Cruiser GXR is the ultimate choice.

Step inside the Land Cruiser 300 GXR and you'll find a cabin built around luxury, space, and innovation. With seating for seven, wrapped in premium leather, and front power seats with ventilation and lumbar support, comfort is guaranteed on every journey. The driver is greeted by a stylish 4-spoke leather and wood steering wheel with integrated audio and Bluetooth controls, while passengers enjoy a best-in-class rear seat entertainment system and a powerful 14-speaker JBL sound system. The 12.5" touchscreen infotainment system supports multiple media formats, including DVD and MP3, offering endless entertainment options. Details like the cool box, digital clock, overhead console, and automatic day/night rearview mirror with compass add functional elegance. Whether you're commuting or crossing continents, the Land Cruiser's interior turns every trip into a first-class experience, making it a true sanctuary on wheels.

The Land Cruiser 300 GXR doesn't compromise when it comes to safety and convenience. It is equipped with a full suite of advanced driver assistance features, including Lane Departure Alert, Pre-Crash Safety System, Lane Assist, and Adaptive Radar Cruise Control. Hill-start assist, downhill assist, Crawl Control, and trailer sway control provide extra confidence in challenging driving conditions. The vehicle is further secured by an anti-theft immobilizer, smart entry system, and tyre pressure monitoring. Eight strategically placed airbags and reinforced body structure ensure maximum protection for all occupants. Features like a remote engine starter, auto-folding mirrors, power back door, and one-touch window controls across all doors make every aspect of ownership seamless. With 360° awareness from front and rear sensors and a rearview camera, manoeuvring this powerhouse is surprisingly easy. The 2026 Land Cruiser GXR isn't just about getting from A to B, it's about getting there safer, smarter, and more comfortably than ever before.
