SAHARA MOTORS GROUP

The 2026 Toyota Yaris 1.5L Automatic is a compact, efficient, and stylish 5-seater built for urban driving and everyday reliability. Under the hood, it features a 1.5L 4-cylinder DOHC engine with Dual VVT-i, delivering 104.6 HP and 14.0 kg-m of torque, paired with a smooth CVT transmission. Designed for both performance and fuel economy, it meets Euro 4 standards while offering a dynamic and comfortable ride with MacPherson front and torsion beam rear suspension. Its striking exterior includes LED headlamps, colour-keyed bumpers, and gloss black grille, complemented by 195/65/R15 alloy wheels. Details like body-coloured door handles and a rear fog lamp add a premium touch, making the Yaris a smart and attractive choice for today's drivers.

Step inside the 2026 Yaris and experience thoughtful design that blends comfort with practicality. The cabin features fabric seats, a urethane steering wheel with audio and Bluetooth controls, and a modern 8-inch display audio system with USB, AM/FM, and 4 speakers. With ample storage including a glove box, front console box, coin box, and cup holders (4 in total), daily use is convenient and clutter-free. Enjoy added comfort with manual air conditioning, front and rear power windows, and a driver's side sun visor with a holder. The cabin is well-lit with personal and room lamps, and noise is kept in check thanks to the hood silencer. With seating for five, three rear headrests, and ISO-FIX anchors, the Yaris is ideal for families or city commuters.

Toyota prioritizes your safety in the 2026 Yaris, equipping it with dual airbags, ABS with EBD, Brake Assist, Vehicle Stability Control, Hill Start Assist, and a Tyre Pressure Monitoring System. Rear parking sensors and a rearview camera provide confidence in tight spaces, while the child restraint system ensures peace of mind for families. Keyless entry, power door locks, and an engine immobilizer with alarm enhance security. Everyday convenience is covered with features like power-adjustable mirrors, intermittent windshield wipers with mist function, rear window defogger, and a digital clock. With its intelligent blend of safety, technology, and comfort, the Toyota Yaris stands out as a smart, reliable, and value-packed choice in its class.

A close-up photograph of a car's interior door panel, specifically the area with the door handle and power window/mirror controls. The panel is dark grey or black. A red arrow points from the 'SIDE MIRROR POWER ADJUSTMENT' label to a circular knob with 'L' and 'R' indicators. Another red arrow points from the 'CENTRAL LOCKING' label to a button with an open and closed padlock icon. A third red arrow points from the 'POWER WINDOWS BUTTONS' label to a set of four buttons, each with a window icon and an arrow indicating up or down movement. A yellow object, possibly a pen or stylus, is pointing at the bottom-most window button.
