SAHARA MOTORS GROUP

The 2025 Toyota Land Cruiser GXR-V V6 3.3L Diesel stands as a symbol of power, prestige, and performance. Engineered for those who seek unmatched capability and comfort, it features a robust V6, 3.3-liter twin-turbo diesel engine delivering an impressive 302 HP and 71 kg-m of torque, paired with a smooth 10-speed automatic transmission. Its commanding presence is elevated by striking 20-inch alloy wheels, a radiator grille with silver and chrome accents, and aerodynamic Aero-style front and rear bumpers. LED lighting, a moonroof, and auto-retractable mirrors with welcome lights add modern sophistication, while its towing hitch, roof rails, and side steps make it equally ready for adventure and elegance.

Step inside the Land Cruiser GXR-V and experience refined craftsmanship and intelligent design. The 7-seater configuration ensures comfort for every passenger, featuring leather seats, power-adjustable front seats with ventilation, and reclining third-row seats for versatile space. Premium materials like synthetic leather upholstery, wood and plating accents, and a leather-wood steering wheel create an upscale ambiance. Advanced features such as dual-zone automatic air conditioning, rear seat entertainment with a 12.3-inch screen, wireless charging (front and rear), and ambient LED lighting ensure every journey feels effortless. Every element, from the overhead console with moonroof controls to the plated instrument panel, has been designed to blend sophistication with everyday practicality.

Toyota's commitment to safety and innovation shines through in the 2025 Land Cruiser GXR-V. Equipped with curtain, side, and front airbags, Parking Support Brake (PKSB) with eight sensors, back guide monitor, and multi-terrain select (MTS), it ensures stability and protection on every surface. The auto/easy closure power back door, smart entry with panic function, and remote engine starter enhance convenience, while the anti-theft system with security horn offers peace of mind. Intelligent features like auto-retractable mirrors, LED headlamp cleaners, and DAC + Crawl Control make both urban and off-road driving smooth and safe. Combining rugged reliability with advanced technology, the Land Cruiser GXR-V is built to protect, perform, and impress.
