SAHARA MOTORS GROUP

The 2025 Toyota Raize E 1.2L is the perfect blend of practicality, style, and efficiency for modern city driving. With a compact yet commanding presence, its 4030mm length and 200mm ground clearance give it the versatility to handle both urban roads and rougher terrain. The stylish mono-tone front and rear bumpers, colour-keyed outer mirrors with integrated turn signals, and bold 205/65R16 alloy wheels contribute to a sporty yet refined exterior. Its LED high-mount stop lamp and halogen headlamps offer both functionality and flair, while the UV green laminated windshield adds a premium touch and extra protection. Designed for those who seek reliable performance with standout looks, the Raize E makes a strong first impression wherever it goes.

Step inside the 2025 Raize E and experience a cabin designed for comfort, convenience, and connectivity. With seating for five, the interior features stylish fabric seats with front piping, a manual vertical seat adjuster for the driver, and 60:40 foldable rear seats to maximize cargo flexibility. The console box with armrest enhances driving comfort, while thoughtful touches like vanity mirrors, rear seatbelt for three passengers, and a rear-view mirror offer daily practicality. The multi-information display keeps you informed, while Bluetooth, USB, and a 4-speaker audio system ensure seamless entertainment on the go. Power windows with jam protection, power door locks, and keyless entry bring everyday convenience to the forefront. It's a smart and well-appointed space, built for modern needs.

The Toyota Raize E prioritizes safety and peace of mind with a range of modern features. Equipped with dual front airbags, ABS, Vehicle Stability Control (VSC), and Hill-Start Assist Control (HAC), it's built to protect you on every journey. The rear fog lamp, tire pressure monitoring system, and rear parking sensors ensure better visibility and control in all conditions. Security is enhanced with an engine immobilizer and anti-theft system, offering added protection whether parked or in motion. The LED high-mount stop lamp and illuminated entry system add layers of visibility and safety. With a compact 4.9-meter turning radius and lightweight 1030kg kerb weight, the Raize E combines manoeuvrability with robust protection—making it an ideal companion for families, professionals, and daily commuters alike.
