# SAHARA MOTORS GROUP

The 2026 Toyota Prado Luxury VXL is a robust 4WD SUV equipped with a powerful 2.8L diesel engine and a smooth automatic transmission. Designed to accommodate seven passengers, it combines spaciousness and elegance, making it perfect for family adventures or off-road excursions. With Euro 4 emissions compliance, this model ensures a balance between performance and environmental responsibility, featuring advanced safety technologies, luxurious interior finishes, and cutting-edge infotainment systems. Its rugged design is complemented by superior handling and a reputation for reliability, making the Prado an ideal choice for both urban and adventurous driving.

The 2026 Toyota Prado Luxury VXL is powered by the 1GD-FTV 2.8L diesel turbo engine, featuring a 4-cylinder, 16-valve DOHC design that delivers 201 HP at 3000–3400 RPM. It is equipped with an 8-speed automatic transmission that includes a second start function and supports full-time 4WD capabilities. The fuel tank has a dual capacity of 80+30 liters, ensuring ample range for journeys. The vehicle features a rear torque-sensing limited-slip differential, enhancing traction and stability. Steering is facilitated by an electric power system with tilt and telescopic adjustments, while braking is managed through ventilated disc brakes on both front and rear. Safety is prioritized with a comprehensive suite of features, including ABS, ATRC, EBD, and various airbags (driver, passenger, front side, rear curtain, and knee airbags) to protect occupants in diverse driving conditions.

The 2026 Toyota Prado Luxury VXL is loaded with premium features that enhance both functionality and style. The exterior showcases sleek LED headlamps with daytime running lights, a stylish black military-wave front grille, and dynamic rear combination lamps, including LED tail, stop, and turn signals. It also features front fog lamps with LEDs, a power-operated rear spoiler, and front and rear mudguards. The mirrors are color-keyed, power-operated, and auto-retractable, enhancing convenience. Inside, the cabin is adorned with leather seating, ample space for seven occupants, and advanced comfort features such as dual-zone automatic climate control, a seat air conditioner, and heating for front seats. The advanced audio system includes a 12.3" display with navigation, 14 speakers, and various connectivity options. Safety features are extensive, including multiple airbags, an anti-theft engine immobilizer, electronic parking brake, and advanced driving aids like crawl and downhill assist control. Additional amenities include wireless charging, a panoramic moonroof, and illuminated scuff plates.
