# SAHARA MOTORS GROUP

The 2026 Suzuki Fronx is a compact SUV that perfectly blends efficiency with modern design, making it an excellent choice for urban drivers and weekend adventurers alike. Powered by the K15B 1.5L petrol engine, it delivers a respectable 103 horsepower at 6000 RPM and a torque of 138 Nm at 4400 RPM. With a displacement of 1462 cc and a fuel system that utilizes multipoint injection, this SUV offers a smooth and responsive driving experience. Its compact dimensions (3995 x 1765 x 1550 mm) and a wheelbase of 2520 mm make it agile on the road while providing ample interior space for passengers and cargo.

Inside the Fronx GLX, comfort and technology come together seamlessly. The cabin features automatic air conditioning and a 9-inch display audio system equipped with Bluetooth and nine speakers, ensuring a great audio experience. The 4.2-inch color LCD display and head-up display provide essential information at a glance, while the keyless entry and push-start system enhance convenience. Additional features like a wireless charger, USB ports, and cruise control elevate the driving experience, making each journey enjoyable for both the driver and passengers. The upholstery combines fabric and synthetic leather, adding a touch of elegance to the interior.

Safety is a priority for the Suzuki Fronx GLX, equipped with a comprehensive array of safety features. It includes multiple airbags (driver, passenger, side, and curtain) and advanced braking systems like ABS with EBD. The addition of rear parking sensors, high-mount LED stop lamps, and automatic dimming rearview mirrors further enhances safety on the road. With LED multi-reflector headlamps and a follow-me-home system, visibility is greatly improved during nighttime driving. The Suzuki Fronx GLX is not just about style and comfort; it's also a reliable companion for daily commutes and family outings, ensuring a safe and enjoyable ride.

The image shows the interior of a car with a modern dashboard, a large infotainment screen, and two-tone fabric seats. The driver's seat is partially covered in clear plastic. A red arrow points from the text 'TWO TONE FABRIC SEATS' to the driver's seat. Another red arrow points from the text 'GLOVE BOX' to the glove compartment on the passenger side. The car is parked in a desert landscape with mountains in the background.
