# SAHARA MOTORS GROUP

The 2026 Toyota Land Cruiser 79 Double Cab Pickup LX-Z is a remarkable vehicle that epitomizes strength, versatility, and modern technology. Designed for both rugged terrains and urban environments, this pickup is powered by a V6 engine (1GR-FE) with a displacement of 3,956 cc, producing 228 horsepower at 5,200 RPM and a torque of 36.7 kgm at 3,800 RPM. The engine features an advanced electronic fuel injection (EFI) system with Variable Valve Timing (VVTI), which optimizes performance and fuel efficiency. The 130-liter fuel tank ensures extended journeys without frequent refueling, while the 6-speed automatic transmission provides a smooth driving experience. This model is certified under Euro 4 emissions standards, making it an environmentally responsible choice for those who require a robust vehicle without compromising on ecological considerations.

The Land Cruiser 79 is equipped with a part-time 4WD system, enhancing its off-road capabilities. With front and rear differential locks, it offers excellent traction on challenging surfaces, making it a reliable companion for adventurous drivers. The vehicle's suspension system features standard coil springs in the front and leaf springs in the rear, providing a balance between comfort and durability. Safety is paramount, as indicated by an array of features including Anti-lock Braking System (ABS), Vehicle Stability Control (VSC), and a suite of airbags for both the driver and passenger. Additionally, the vehicle includes modern amenities such as LED circle headlamps with daytime running lights, front fog lamps, and a rearview camera, ensuring visibility and safety in various driving conditions.

Inside, the Land Cruiser 79 is designed for comfort and functionality. The seating capacity accommodates up to five passengers, with seats upholstered in synthetic leather that add a touch of luxury while remaining practical. The cabin features a well-appointed dashboard with wood paneling, a leather-wrapped steering wheel, and a comprehensive infotainment system that includes a 9-inch display with AM/FM radio, USB, Bluetooth, and auxiliary inputs. For added convenience, the vehicle comes with keyless entry, power windows, and a cruise control system. The LX Z package enhances the experience with special floor mats and interior badges, celebrating the legacy of this iconic model. With features like an auxiliary fuel tank, refrigerator, and USB fast chargers, the Land Cruiser 79 is equipped to handle both daily commutes and long-distance adventures with ease.
