SAHARA MOTORS FZE

The 2024 Toyota Prado TXL3 2.4L Turbo 7-Seater 4WD Automatic is designed to deliver strong performance, premium comfort, and confident off-road capability. It is powered by a T24A-FTS 2.4L 4-cylinder turbocharged engine producing 267 HP at 6,000 RPM and 430 Nm of torque between 1,700 and 3,600 RPM. An 8-speed automatic transmission and full-time 4WD with a transfer case featuring High and Low ranges provide controlled performance across urban roads, highways, and challenging terrain. The Prado TXL3 also features a central differential lock and Crawl Control for enhanced off-road capability. With seating for seven, a 110-litre fuel tank, 10.6 KM/L fuel consumption, 265/65R18 tires, and a 4,930 mm wheelbase, this SUV offers practicality for family travel, daily driving, and outdoor adventures.

Inside, the Prado TXL3 provides a premium cabin designed around comfort, convenience, and modern functionality. Leather seats include powered driver adjustment and front ventilation and heating for enhanced comfort during different journeys. A 7-inch Multi Information Display presents essential driving information, while the 12.3-inch Display Audio system with six speakers supports an enjoyable entertainment experience. Apple CarPlay and USB-C connectivity provide convenient smartphone and device integration. The cabin also features a leather steering wheel and shift knob with steering controls, dual-zone automatic front air conditioning, rear automatic air conditioning, illuminated vanity mirrors, automatic power windows, tonneau cover, and illuminated front door scuff plates. A cool box, wireless mobile charger, remote engine starter, moon roof, and multiple USB-C charging ports further enhance everyday convenience for all passengers.

The exterior gives the 2024 Toyota Prado TXL3 a bold and sophisticated appearance, featuring 18-inch alloy wheels, rectangular-design LED headlights, LED Daytime Running Lights, and LED front fog lamps. A silver front grille, body-colored side mirrors with turn signal lamps, power auto-retractable mirrors, body-colored door handles, side steps, mud guards, roof rails, rear spoiler, power back door, and opening back door glass add practical styling details. Safety and driver-assistance equipment includes front and rear parking sensors, a rear camera, multiple airbags, including driver, passenger, knee, side, and curtain airbags, ABS, Vehicle Stability Control, Traction Control, Hill-start Assist Control, Down Hill Assist Control, Parking Support Brake, and Tire Pressure Monitoring System.

SAHARA MOTORS FZE

A close-up photograph of a car's dashboard area, specifically the controls below the steering wheel. The image shows a row of four buttons. The second button from the left has a white icon of a car with a star above it and the word 'OFF' below it. The third button from the left has a white icon of a car with a star above it. A red arrow points from a text box to the second button. Another red arrow points from a text box to the third button. The background is dark and out of focus.
