SAHARA MOTORS GROUP

The 2025 Toyota Sequoia TRD Offroad Hybrid V6 3.4L 4WD is a powerful, full-size SUV designed for both rugged off-road adventures and comfortable everyday driving. Powered by a 3.4-liter twin-turbo V6 hybrid engine, the Sequoia delivers 437 horsepower, providing ample power for challenging terrains. Equipped with a sealed nickel-metal hydride (Ni-MH) traction battery, this vehicle ensures optimal energy efficiency and performance. The Sequoia features a part-time 4WD system, a 10-speed direct shift automatic transmission, and drive mode select with Sport, Eco, and Normal modes, allowing drivers to tailor the driving experience to various conditions.

Inside, the 2025 Sequoia offers a spacious and well-equipped cabin, comfortably seating up to eight passengers. The vehicle boasts 8-way power adjustable driver and passenger seats, with heated front seats and 2-way lumbar support for added comfort. A 3-zone automatic climate control system and rear passenger vents ensure a pleasant environment for all passengers. The cabin also includes premium features like a power tilt/slide moonroof, a TRD shift knob, a power back door with a kick sensor, and a 400-watt power outlet for convenience on the go. Safety is paramount with a suite of advanced features, including blind spot monitoring, lane tracing assist, dynamic radar cruise control, and a pre-collision system with pedestrian detection.

The Sequoia is engineered for off-road performance with features like TRD off-road shock absorbers, TRD wheels, and TRD tires (P265/70R18), making it ready for the toughest trails. Its towing capacity is supported by a heavy-duty tow hitch receiver and trailer brake controller, ensuring it can handle heavy loads with ease. Additional utility features include an active grille shutter, running boards, rear camera washer, and a multi-terrain monitor, ensuring optimal visibility and control during off-road expeditions. With advanced technology such as wireless Apple CarPlay, Android Auto, and an 8-inch Toyota Multimedia system, the Sequoia keeps drivers connected while delivering a superior driving experience both on and off the road.
