The image shows the interior of a car, specifically the back seat area. The seats are covered with clear plastic protective film. A red arrow points from the text 'BACK SEAT ENTERTAINMENT SYSTEM' to a screen mounted on the back of the front passenger seat. Another red arrow points from the text 'REAR AC VENTILATION' to a blue-lit vent located on the side of the rear seat. The car's interior is dark-colored, and the windows show a view of a desert landscape with mountains in the background.
