SAHARA MOTORS FZE

The 2026 Toyota Land Cruiser GXR-4 3.5L is a powerful seven-seater SUV that combines exceptional performance, advanced four-wheel-drive capability, premium equipment, and advanced safety technology. Powered by a 3.5L V6 twin-turbo petrol engine, it produces 409 HP and 650 N.M. of torque. The 10-speed automatic transmission with sequential mode provides smooth power delivery, while full-time 4WD with a transfer case, central and rear differential locks, Crawl Control, Turn Assist, Multi-Terrain Select, HAC, DAC, VSC, A-TRC, ABS, and BA support confident performance across different driving conditions.

Inside, the 2026 Toyota Land Cruiser GXR-4 provides a premium seven-seat cabin with leather upholstery and practical comfort features for all passengers. The front seats feature power adjustment and ventilation, while the cabin includes a 7-inch digital meter, leather and wood steering wheel with voice controls, leather shift knob, wooden interior trim, automatic front and rear air conditioning, illuminated scuff plates, rear seat armrest with cup holders, and illuminated vanity mirrors. A 12.3-inch integrated display audio system with navigation, Apple CarPlay, six speakers, multiple USB ports, and a two-screen rear entertainment system with headphones provides convenient connectivity and entertainment.

The exterior of the 2026 Toyota Land Cruiser GXR-4 combines bold styling with premium equipment, including 20-inch alloy wheels, LED headlights with manual leveling, LED daytime running lights, front LED fog lamps, chrome and silver radiator grille, power retractable mirrors with turn signals, chrome side molding, rear bumper chrome garnish, roof rails, rear spoiler, and power back door. A moon roof, panoramic-view four-camera system, parking sensors, wireless charger, cool box, and smart entry enhance convenience, while measuring 5115 mm long, 1980 mm wide, and 1945 mm high, with 265/55R20 tyres and a 110-liter fuel tank, the Land Cruiser offers a commanding SUV presence.
