SAHARA MOTORS FZE

The 2026 Lexus LX600 Turbo Sport combines a 3.5L V6 twin-turbo V35-FTS engine with 409 HP and 650 Nm of torque from 2,000–3,600 RPM. It uses a 10-speed Direct-Shift automatic transmission with all-wheel drive and paddle shifters. The LX600 reaches a top speed of 210 km/h and has a combined fuel economy of 10.1 km/L. Its driving systems include Eco, Normal, Comfort, Sport S, Sport S+, and Custom modes, along with Multi-Terrain Select, Crawl/DAC, center differential lock, Active Height Control, and Adaptive Variable Suspension.

Inside, the 7-seat cabin combines genuine leather seats with premium comfort features. The driver seat has 10-way power adjustment with lumbar support, while the front passenger seat has 8-way power adjustment. Front seats offer massage functions, while the front and second-row seats feature heating and ventilation. The cabin also includes 4-zone climate control, a cool box, 64-color ambient lighting, art wood interior trim, power tilt and telescopic steering with leather and wood finish, and manual rear side sunshades. The 12.3-inch digital instrument cluster works alongside a 12.3-inch Lexus Interface touchscreen with navigation and intelligent voice assistant. Wireless Apple CarPlay, wired Android Auto, Bluetooth, six USB-C ports, wireless charging, rear entertainment screens, and a 25-speaker Mark Levinson surround sound system add to the technology package.

The exterior features 22-inch high-grade alloy wheels with 265/50R22 tyres, a sunroof with power tilt-slide operation, three Bi-LED headlights with Adaptive High Beam System, LED taillights, daytime running lights, rear fog lights, and headlight washers. Power-folding, auto-dimming side mirrors, rain-sensing wipers, and a powered tailgate with kick sensor add convenience. Safety comes with Lexus Safety System+ 3, including a Pre-Collision System, emergency braking, adaptive cruise control, Lane Keep Assist, Lane Tracing Assist, Lane Departure Alert, Blind Spot Monitor, Rear Cross Traffic Alert, and Safe Exit Assist. The LX600 also includes a 360° camera, front and rear parking sensors, parking assist, electronic parking brake, and tyre pressure monitoring.
