SAHARA MOTORS FZE

The 2026 Nissan Patrol LE Platinum City V6 3.5L Twin Turbo 4WD 8-Seater Automatic is designed to deliver powerful performance, premium comfort, and advanced driving capability. It features a 3.5L DOHC V6 twin-turbo petrol engine that produces 425 HP and 700 Nm of torque. Paired with a 9-speed automatic transmission and 4WD system, the Patrol offers strong acceleration and smooth control on city roads, highways, and challenging terrain. With multiple drive modes, rear differential locking, adaptive air suspension, and a 97-litre fuel tank, this SUV is ready for both everyday travel and long-distance adventures.

Inside, the Patrol LE Platinum City offers a luxurious cabin with seating for eight passengers. The interior features genuine quilted leather seats, heated and cooled front seats, and power-adjustable driver and passenger seats with massage and lumbar support. The second and third rows offer power folding and reclining functions for added flexibility. Comfort is further enhanced by tri-zone climate control, a cooling box, air filtration with ionizer, wireless charging, and multi-color interior lighting. For entertainment, the SUV features twin 14.3-inch monolith displays, a 12.8-inch rear-seat entertainment screen, and a 12-speaker Klipsch premium audio system. Additional features include a panoramic sunroof, head-up display, frameless smart rear-view mirror, remote engine starter, and intelligent key entry.

The exterior combines bold styling with advanced technology, featuring 22-inch machine-cut alloy wheels, signature double C-shape LED headlights, LED daytime running lights, LED rear lamps, LED fog lamps, roof rails, and a rear power liftgate with motion sensing. Safety remains a key focus with multiple airbags, ABS, EBD, Hill Start Assist, Hill Descent Control, Predictive Forward Collision Warning, Automatic Emergency Braking with Pedestrian Detection, Lane Departure Warning, Blind Spot Warning, Rear Cross Traffic Alert, and ProPILOT with Lane Keep Assist. The 3D Around View Monitor with Moving Object Detection, Invisible Hood View, front and rear parking sensors, and Rear Automatic Emergency Braking provide additional support. With its premium interior, strong twin-turbo power, advanced safety systems, and adaptable 4WD capability, the 2026 Nissan Patrol LE Platinum City offers a refined driving experience for families, business users, and adventure seekers.
