The 2027 Toyota Hilux Double Cab Pickup GLX combines dependable petrol performance, rugged capability, and everyday practicality. It features a 2.7L four-cylinder, 16-valve DOHC petrol engine producing 164 HP at 5,200 RPM and 245 Nm of torque at 4,000 RPM. A 5-speed manual transmission and 4WD drivetrain support confident driving across varied road surfaces and terrain. The Hilux GLX rides on 265/65R17 tyres and offers five seats, an 80-litre fuel tank, and a practical cargo deck for family, business, and work requirements for personal and commercial use across a wide range of driving conditions.

The exterior features LED headlamps with welcome lights, daytime running lights, front fog lamps, body stripes, a painted front bumper, black resin rear bumper, power-adjustable door mirrors, side steps, and a shark-fin antenna. Its 17-inch alloy wheels and 312 mm ground clearance complement its rugged pickup design. The double-cabin body measures 5,320 mm in length, 1,855 mm in width, and 1,795 mm in height, with a 3,085 mm wheelbase. Inside, the cabin features fabric seats, separate front seats for two occupants, a leather steering wheel, tilt-and-telescopic steering adjustment, and a 7-inch multi-information display. Manual air conditioning, remote keyless entry, power windows, and power door locks enhance everyday convenience for added everyday driving comfort.

The Hilux GLX provides a connected cabin with an 8-inch Display Audio system supporting AM/FM radio, DAB, USB, Bluetooth, Apple CarPlay, and Android Auto, along with eight speakers and steering wheel audio and telephone controls. Its practical interior includes a wireless charger and ECO and POWER driving modes, while the stated fuel efficiency of 10.1 km/L adds everyday usability. Safety equipment includes dual front airbags, a driver knee airbag, an emergency call system, an anti-theft immobilizer, ABS with brake assist, electronic brakeforce distribution, and vehicle stability control. A tire pressure warning system, rear fog lamp, LED high-mount stop lamp, and rear-view camera provide additional protection. Overall, the 2027 Toyota Hilux GLX delivers a practical combination of petrol performance, utility, comfort, and 4WD capability for drivers seeking a versatile pickup truck for daily work and travel.
