The 2027 Toyota Hilux Double Cab Pickup GLXS-V combines strong diesel performance, everyday practicality, and capable four-wheel-drive performance. It is powered by a 2.8L four-cylinder, 16-valve DOHC diesel engine with Dual VVT-i, producing 201 HP and 51 kg-m of torque. A 6-speed automatic transmission and part-time 4WD system deliver confident control across different roads and challenging terrain. With five seats, an 80-litre fuel tank, and a versatile pickup deck, the Hilux GLXS-V suits family travel, business, demanding work, and recreational use. Its durable construction and practical cargo area make it a capable everyday pickup.

The exterior features LED headlamps, daytime running lights, an LED rear fog lamp, colour-keyed bumpers, painted door handles, and chrome-plated mirrors with turn signals and automatic retraction. Side steps and mudguards add utility. The body measures 5,320 mm long, 1,855 mm wide, and 1,795 mm high, with a 3,085 mm wheelbase and 312 mm ground clearance. Its J-type deck with guard frame measures 2,315 x 1,575 x 480 mm. Inside, the five-seat cabin features high-grade fabric seats, a large console box, driver seat adjustment, rear headrests, an electrochromic mirror, sun visors, and a leather steering wheel with controls. Dual automatic air conditioning, power windows, power door locks, and smart keyless entry enhance comfort.

The Hilux GLXS-V cabin includes a 12.3-inch Display Audio system with USB, Bluetooth, AM/FM radio, and eight speakers. Push-button starting, electric power steering with tilt adjustment, intermittent front wipers, and automatic air conditioning support operation. Safety equipment includes driver and passenger airbags, ABS with Electronic Brakeforce Distribution and Brake Assist, Vehicle Stability Control, Hill-Start Assist Control, Trailer Sway Control, and Downhill Assist Control. Additional features include tyre pressure monitoring, an anti-theft immobiliser, rear camera, parking support brake with clearance sonar, and seat belts. Ventilated disc brakes provide stopping power, while independent front coil springs and a rigid rear leaf-spring setup support the suspension. Kerb weight is 2,045–2,085 kg and gross vehicle weight is 2,855 kg. Overall, the 2027 Toyota Hilux GLXS-V delivers five-seat comfort, diesel power, automatic transmission convenience, and capable 4WD performance for work and daily driving.
