The 2027 Mitsubishi L200 Double Cab Pickup GL combines practical petrol performance, durable construction, and dependable four-wheel-drive capability. It is powered by a 2.4L four-cylinder petrol engine with an electrical fuel injection system and cold-zone fuel heater. A 5-speed manual transmission and Easy Select 4WD system provide control across varied roads and demanding working conditions. With a five-seat double cab and versatile cargo bed, the L200 GL suits business, daily transport, demanding work, and recreational use. Its robust design supports everyday pickup practicality across urban routes, highways, construction sites, and off-road environments.

The exterior features daytime running lights, halogen headlamps, front and rear fog lamps, Black Edition bumpers, a stylish radiator grille, black door handles, and electrically adjustable mirrors. Rain-sensing wipers and eight cargo bed hooks add utility. The body measures 5,220 mm long, 1,815 mm wide, and 1,775 mm high, with a 3,000 mm wheelbase. Its cargo bed measures 1,520 x 1,515 x 475 mm. Inside, the five-seat cabin features separate fabric front seats, a rear bench with two head restraints, a urethane steering wheel, a day/night rear-view mirror, sun visors with sunglasses holder, and practical storage. Manual air conditioning with heater, power windows, remote keyless entry, and Bluetooth connectivity enhance comfort.

The L200 GL cabin includes a 3.5-inch multi-information display, AM/FM CD audio system, two speakers, USB charging outlet, and Bluetooth wireless technology. Manual air conditioning, power steering with tilt and telescopic adjustment, and a five-speed manual transmission support operation. Safety equipment includes driver and front passenger SRS airbags, ABS with Electronic Brakeforce Distribution and Brake Assist, Active Stability Control, Hill Start Assist, and Trailer Stability Assist. Additional features include an anti-theft engine immobilizer, speed-sensing central door locks, child safety locks, impact-sensitive unlocking, emergency stop signal, and brake override system. Ventilated disc brakes provide stopping power, while heavy-duty comfort suspension and a front stabilizer bar support handling. Kerb weight is 1,790 kg and gross vehicle weight is 2,850 kg. Overall, the 2027 Mitsubishi L200 GL delivers five-seat comfort, petrol power, manual transmission control, and 4WD performance for work and driving.
